“Comfort” Blankets

At the conclusion of a child's visit to the CAC the Victim/Family Advocate helps the

child select a fleece blanket to take home. The Comfort Blankets are a very tangible way to show support and care to these children who have experienced trauma in their life. As the child uses the blanket while sitting on a couch or curled up in bed at night, they can be reminded that someone cared for them.

No sewing required! Instructions are available. Each blanket takes 1.25 yds. of fleece material in a solid color and a complimentary print design.
